

Online Bridge Leaders Bridge Base Online and Funbridge Announce the launch of The First World Online Championship

Bridge Base Online and Funbridge are excited to announce the launch of the **first World Online Championship (WOC)**. This official international competition will be organised by the World Bridge Federation, the National Bridge Federations and the China Bridge Online platform (CBO).

This is a **world first!** The WOC will bring together online bridge players from all around the globe in a unique event. An **exceptional total of USD 500,000 in cash prizes with USD 100,000 to the winner** is offered, this makes it the **highest prize ever seen in a bridge tournament!** In addition, the winner(s) will be awarded titles of **World Online Champion** in their playing category. National and international Master Points and titles will also be allocated.

The Launch

A special day to launch the Championship will be held on Thursday 12th December with two daylong tournaments played on Funbridge (one IMPs, one MPs). This will be free of charge with prizes and Robot Master Points awarded to the winners. [Click here to download a PDF](#) with more information about THE GREAT WORLD BRIDGE DAY.

When will the WOC itself take place ?

The WOC will take place from March 2020 to November 2020 on BBO, CBO and Funbridge.

Who?

The WOC is open to all bridge players in the world.

How?

The WOC will be in two phases:

- 1) **Qualification phase from March to August 2020** on the platforms of the three main online bridge providers mentioned above.
- 2) **Live final phase over 3 days in November 2020** with up to 500 qualifiers invited to the venue (travel and accommodation provided).

This competition is a unique opportunity for bridge players and is more evidence of how much BBO and Funbridge are committed to promoting and developing the game of bridge worldwide. You can find out more by [downloading the information brochure](#) sent to the NBOs recently.

Stay tuned, more news to come!

What do other people think about this ?
